Summary

Driven professional with a broad technical skill-set, excellent communication skills, and over four years of experience working in a team-work based environment. On top of being a detail oriented professional is my ability to self-learn/taught on and off the job. My humor and humble nature makes working with everyone an enjoyable process.

Technical Highlights

- ❖ **Web Skills:** HTML5, CSS3 (Sass), JavaScript (jQuery), AngularJS, AJAX/JSON, Linux, Git, Bootstrap, web standards and accessibility, cross-browser compatibility, responsive design for mobile.
